OFFICIALS FIGHT BACK VS. CANCER

Inaugural tournament to raise funds, match unlikely boys basketball opponents

By Phil Strum
Poughkeepsie Journal

The inaugural Officials vs. Cancer Tournament will be held on Jan. 19 and 20 at SUNY New Paltz and will feature some of the top local boys basketball programs in the area.

More important, organizing committee member Bill Proal said, is the reason it's happening.

"We were hit with a few members who succumbed to the disease," said Proal, a 36-year veteran of officiating boys basketball in the Hudson Valley and a member of the International Association of Approved Basketball Officials local board 114, which trains and develops boys basketball officials for Dutchess, Ulster, Columbia and Greene counties.

Proal said the passing of former board members and officials like Whitey Raymond, Leo Darling, Fred McCoy and Jim Kyle, as well as the recent cancer fights of board president Kevin O'Connor and rules interpreter Sandy Bernstein, spurred the event.

"Nationwide, Officials vs. Cancer is something that's done, usually for about a week or so in early January," Proal said. "We thought, 'Why don't we do something similar?'"

"We're matching teams that don't normally play each other. We're fighting cancer and donating all the money to the American Cancer Society."

Proal said each of the six games in the event will have a three-man crew, and each official has pledged to donate his fees back to the American Cancer Society. Members of the IAA-BO Board 114 not working on the court will be working the scorer's table, taking tickets and volunteering. The \$5 admission fee, as well as all money from T-shirt sales, will be donated to the American Cancer Society.

"Maybe we can expand it and get some more teams in the future," said Proal, a Wappingers Falls resident. "I'm hoping it gets off on a strong footing."

The opportunity to play some Section 1 teams, as Franklin D. Roosevelt did in its win in the Dutchess County Basketball Coaches Association Holiday Tournament, appealed to Presidents coach Kevin Hart, whose team will play Arlington.

"That's going to be one of the games where we're bringing back one of the old Section 1 rivals," said Hart, who graduated from Roosevelt in the 1990s when the Presidents were members of Section 1.

Pine Plains has a Northern Dutchess rivalry game with Red Hook at the event.

"I would call it a rivalry, but they've been whooping our tails, so I don't know if it's really a rivalry," Pine Plains coach Brendan LoBrutto said. "We're looking forward to it. It's for a good cause and it will be a good time, that's for sure."

Here's a look at the field for the Officials vs. Cancer Tournament.
