

Dear IAABO Board #111,

On behalf of the Brewer Basketball programs (girls and boys), their families and fans, please accept this donation of \$919 and combine it with your donations to help "Blow the Whistle on Cancer."

We are proud to have hosted two nights of "Think Pink & Shoot for a Cure" in conjunction with "Blow the Whistle on Cancer" Week.

As we all know, coaches, players and fans don't always agree with officials, but this is clearly one time when everyone could agree! The fight against cancer is a huge one. We hope that through your donation, assisted by ours, that we have made a difference.

All the Best,

Andy Nickerson
Varsity Girls
Basketball Coach

Ben Goodwin
Varsity Boys
Basketball Coach
